15. SUMMARY:

(Leave Blank)

(C/RFD) This IR contains information on the EEI of the ROK Military Mission to the US obtained on the date indicated in item 5 above.

THIS IR SHOULD NOT RECEIVE FOREIGN DISSEMINATION SINCE SUCH DISSEMINATION COULD LEAD TO THE COMPROMISE OF THE COLLECTION ACTIVITY INVOLVED.

(C/RFD) The ROK Defense and Military Attache requested a sampling of the reaction and impressions of high ranking US Military and Civilian personnel (both governmental and non-governmental) re. the recent announcement by the President of the ROK that ROK combat forces would be withdrawn from the RVN. The Attache stated that the opposition in the current election had accused ROK forces in the RVN of being mercenaries. To counter the charge, the ROK Government announced that ROK combat forces will be withdrawn from the RVN. The Attache implied, however, that there was no real timetable for the withdrawal and that US reaction in "high places" might influence the pace of withdrawal. Either a request for delay in the withdrawal or a strong approval of the withdrawal, by high level US military and civilian officials could effect the timetable of the ROKA withdrawal from the RVN.
